FIT Holding Co., Ltd.

Agenda of 2022 General Shareholders' Meeting

I. Chairman's Speech

II. Matters to be Reported

- 1. The Company's business report for the year 2021.
- 2. Audit Committee's report on the review of the Company's final accounts for the year 2021.
- 3. Report on the Company's distribution of earnings and capital reserve in cash for the year 2021.
- 4. Report on the Company's distribution of remuneration of employees and directors for the year 2021.

III. Matters for Approval, Discussion and Election

- 1. Recognition of the Company's final business accounts and earnings distribution table for the year 2021.
- 2. Discussion of the amendment to the Company's Corporate Charter (Articles of Incorporation).
- 3. Discussion of the amendment to the Company's "Procedure of Endorsement and Guarantee".
- 4. Discussion of the amendment to the Company's "Operational Procedures for Acquisition and Disposal of Assets".
- 5. Election of the Directors.
- 6. Discussed the release of non-competition restrictions for newly elected directors and their representatives of the Company.

IV. Extempore Motions

V. Meeting Adjourned

Matters to be Reported

Proposal 1

Proposal: The Company's business report for the year 2021; please review. Explanation: Please refer to Attachment 1 (pages 10~15) for the business report.

Proposal 2

- Proposal: Audit Committee's report on the review of the Company's final accounts for the year 2021; please review.
- Explanation: Please refer to Attachment 2 (page 16) for the Audit Committee's review report.

Proposal 3

- Proposal: Report on the Company's distribution of earnings and capital reserve in cash for the year 2021; please review.
- Explanation: I. The board meeting of the Company decides to allocate cash dividends to shareholders from the distributable earnings of 2021 for a total of NT\$123,121,073, at NT\$0.5 per share. The capital reserve of NT\$246,242,146 from the premium over the share issuance amount at face value will be distributed in cash at NT\$1 per share. The distribution will be made according to the shareholdings of shareholders as recorded in the register of shareholders on the ex-dividend date at NT\$1.5 per share (calculated to NT\$1, and the amount less than NT\$1 will be discarded).
 - II. The chairman of the board is authorized to determine the ex-dividend date, issue date and other relevant matters. If the dividend rate is subject to change due to the change of the number of outstanding ordinary shares of the Company, the chairman of the board is also authorized to handle it with full authority.

Proposal 4

- Proposal: Report on the Company's distribution of remuneration of employees and directors for the year 2021; please review.
- Explanation: In accordance with the Company Act and the Articles of Association, the Company distributed NT\$30,000,000 as the remuneration of its employees and NT\$4,880,000 as the remuneration of its directors, and all of them were paid in cash. There was no difference between the amount in the resolution above and the expenses recognized in 2021.

4

Matters for Approval, Discussion and Election

- Proposal 1 (Proposed by the Board of Directors)
- Proposal: The Company's final business accounts and earnings distribution table for the year 2021; please discuss.
- Explanation: I. The financial statements of the Company for the year 2021 have been audited by PwC Taiwan, and have been reviewed together with the business report by the Audit Committee, and a written review report is issued accordingly.
 - II. The earnings distribution table for the year 2021 was approved by the board meeting, and the review by the Audit Committee has been completed.
 - III.Please refer to Attachment 1 to Attachment 4 (page 10~43) for the related documents.

Resolution:

- Proposal 2 (Proposed by the Board of Directors)
- Proposal: Amendment to the Company Corporate Charter (Articles of Incorporation). Please proceed to discuss.
- Explanation: It is proposed to revise the Company's "Corporate Charter (Articles of Incorporation)" to meet operational needs; please refer to Attachment 5 (page 44 47) for the comparison table of the revised articles.

Resolution:

- Proposal 3 (Proposed by the Board of Directors)
- Proposal: Amendment to the Operational Procedures for Endorsements and Guarantees. Please proceed to discuss.
- Explanation: I. It is proposed to revise the Company's "Operational Procedures for Endorsements and Guarantees" to meet operational needs; please refer to Attachment 6 (page 48) for the comparison table of the revised articles.
 - II. The amended Article 4 (1) of the "Operational Procedures for Endorsement and Guarantee" stipulates that "the total amount of the Company's external endorsement and guarantee shall not exceed 600% of the Company's net worth". The amount of endorsement and guarantee provided by the Company to a single enterprise shall not exceed 600% of the net worth of the Company. The total amount of external endorsements and guarantees provided by the Company and its subsidiaries shall not exceed 600% of the net worth of the Company. The amount of endorsement and guarantee for a single enterprise shall not exceed 600% of the net worth of the Company. The amount of endorsement and guarantee shall not exceed 600% of the Company's net worth for any subsidiary in which the Company owns 90% or more of the shares". The necessity and reasonableness of this requirement is due to the fact that the Company's reinvestment activities continue to grow and the demand for capital is increasing. The shortage of working capital comes mostly from the financial institutions' loans. For the purpose of obtaining the best credit terms, banks often require the Company to provide endorsement guarantees for these loans; therefore, the Company needs to set a higher amount of endorsement/guarantees to prepare for the expansion of its reinvestment activities. This strategy is necessary to maximize the profitability of the investment. The Company will also adopt a prudent approach to the overall financial risk management in order to ensure that shareholders' interests are protected.

Resolution:

- Proposal 4 (Proposed by the Board of Directors)
- Proposal: Amendment to the Operational Procedures for Acquisition and Disposal of Assets, please discuss.
- Explanation: The Company proposed to revise the "Procedures for the Acquisition or Disposal of Assets" in accordance with the Financial Supervisory Commission's Order Jin Guan Zheng Fa Zi No.1110380465 dated January 28, 2022.The comparison table of the revised articles can be found in Attachment 7 (pages 50 - 64).

Resolution:

- Proposal 5 (Proposed by the Board of Directors)
- Proposal: The election of the Company's directors, please proceed.
- Note: I. The Company's current term of directors will expire on June 20, 2022; therefore, the Company proposes to re-elect all directors prior to the annual general meeting of shareholders this year.
 - II. Nine directors (including three independent directors) will be elected. The terms of office of the Directors to be elected shall be three years, commencing on June 17, 2022 and expiring on June 16, 2025. The Company adopts a candidate nomination system, and shareholders shall elect the directors from the list of director (independent director) candidates.
 - III. The list of director candidates was reviewed and approved by the Board of Directors at their meeting on May 5, 2022. Please refer to Attachment 8 (pages 65~68) for their education qualifications, experience and other relevant information.

IV. Please proceed to vote.

Voting Results:

- Proposal 6 (Proposed by the Board of Directors)
- Proposal: The release of non-competition restrictions for newly elected directors and their representatives of the Company.
- Explanation: I. Article 209 (1) of the Company Act stipulates that "A director who does anything for himself or on behalf of another person that is within the scope of the company's business, shall explain to the meeting of shareholders the essential contents of such an act and secure its approval".
 - II. The Company proposed to release the non-competition restrictions for newly elected directors and their representatives in other companies in the same industry to be approved by the shareholders' meeting.
 - III.Please refer to Attachment 9 for the information on the release of non-competition restrictions (Page 69 72).

FIT Holding Co., Ltd.

Business Report

The consolidated operating income of the Company in 2021 was NT\$11,241,928 thousand, a increase of 59.38% compared with NT\$7,053,361 thousand in 2020. The net profit after tax attributable to the parent company in 2021 was NT\$434,012 thousand, an increase of 419.16% from the NT\$83,599 thousand net profit after tax attributable to the parent company in 2020; This is mainly due to the significant increase in profit from our subsidiaries Foxlink Image and Shinfox Energy, and also due to the reduction in loss from the team effort made by Glory Science. As the vaccination coverage reaches a high level worldwide, people' lives are gradually back to normal, while the influence of the pandemic on the real economy diminishes, it is expected that the Company's operating results for this year will be very promising; therefore, I would like to thank all employees and shareholders for your contribution and support to the Company over the past year.

The important strategic growth of the Group's next stage is still a focus on the fields of "clean energy" and "energy saving and carbon reduction". The Company is striving for a layout in the green energy and carbon reduction industry. At present, the Group comprises Shifeng Power in charge of hydropower, Shinfox Energy in charge of land wind power and solar power plant turnkey projects and maintenance, and Fuwei Energy in charge of offshore wind power and solar power plant investment, development and operation; Xinxin Natural Gas has obtained the import permit of liquefied natural gas (LNG) to improve air pollution and serve as a cleaner alternative fuel, and it is estimated that the supply operations of the first batch of imported natural gas will be completed by the end of August 2021; Fuwei Power offers green power trading and integrates energy-saving services and power services such as energy storage system to form a comprehensive energy service platform through e-commerce. Junezhe Co., Ltd. was established in February 2021. Its main business is dredging of reservoirs to stabilize water supply and solve the water shortage problem in Taiwan. Jiuwei Power Co., Ltd. was established in November 2021, and it is mainly responsible for the development, construction and operation of natural gas power plant.FIT Group is looking forward to creating a sustainable living environment, building competitiveness for new energy and energy saving industries, and contributing to the wellbeing of the earth.

The Company will thrive on a stable basis and create greater profits for shareholders. Therefore, we need to be prepared to face challenges and solve problems, so as to ensure the growth of the Company's revenue and profit. Lastly, I hope that all shareholders can continue to support and encourage the Company, and I wish all shareholders the best of everything.

I. 2021 Business Results

(1) Implementation Results of Business Plan

Financial report prepared	in accordance		nit. N 15 thousan
item	2021	2020	Growth rate
Operating income	11,241,928	7,053,361	59.38%
Operating cost	9,418,926	6,168,735	52.69%

(2) Budget Execution Ability

The Company did not prepare the 2021 financial forecast, so it is not applicable.

(3) Profitability Analysis

Year		2021	2020
Return on ass	sets (%)	3.02	1.20
Return on sha equity (%)	areholders'	6.21	2.39
Percentage	Operating profit	25.5	(8.96)
of paid-in capital (%)	Net profit before tax	34.5	11.84
Net profit rate	e (%)	5.57	2.55
Basic earning (NT\$) (note)	s per share	1.76	0.34

Note: The ratios above are based on the figures in the consolidated financial statements, and the earnings per share are calculated based on the number of shares after retrospective adjustment.

(4) Research development status

3C components:

1. Patent application.

- 2. Mold technology and molding technology.
- 3. Improved automation capabilities.
- 4. Process efficiency and yield.
- 5. Research and development of new materials.
- 6. Optical design capability development.
- 7. Optical inspection capability development.
- 8. Mold flow and big data analysis capability development.
- 9. Development and application of new technologies and new products.
- 10. Application and cooperative development of other optical products.

3C retail and peripheral products:

- The Company has been developing biometrics in response to the demand 1. for no password authentication on the operating systems used by the providers, leading technology and has launched fingerprint authentication-related products including products that support Windows Hello, Fido2 authentication device key, fingerprint authentication SSD, and cryptocurrency hardware wallet with fingerprint identification for mining and the NFT users to meet the consumer demand in the market. We plan to use NFT to issue fingerprint recognition hardware wallets and integrate with real stores to develop a diversified business ecosystem by offering membership cards and discounted NFT in the future.
- 2. In response to the needs of the fast charging market, a series of fast charging products have been launched, including fast chargers with output requirements of GaN100W, 65W, 30W and 24W. At the same time, the Company will develop fast charging products such as the 140W for PD3.1 protocol and fast chargers with HDMI ports in the future to meet the demand for charging multiple devices simultaneously and display ports. The unique PPS function allows the fast charging product to automatically adjust the maximum output according to the user's device, significantly increasing the charging efficiency and extending the battery life.
- 3. A 10000mAh/20000mAh PD 20W portable power bank has been launched, and a high-output power bank is planned to be developed in the future, which can provide mobile charging requirements for laptops, tablets and small laptops.
- The Company has launched high-performance, high-capacity SSDs for the gaming market by collaborating with brands that specialize in gaming sales to support the high-performance requirements for console and PC gaming.

Energy service management:

- 1. Development of the renewable energy and clean energy markets.
- 2. The project contracting business of power plants and the improvement of the operation efficiency of power plant maintenance and operation.

System and peripheral products:

- 1. Participation in the development process of customers' new products to provide customers with various solutions and technical support.
- 2. We are also actively striving to cultivate R&D talents across the strait, including talents of software, firmware, optics, electronics and institutions, strengthening on-the-job training, and enriching the capability of the R&D team.
- 3. Comprehensively promoting the control of prohibited substances to meet environmental protection needs, promoting lead-free products and developing materials and products that meet environmental protection requirements.
- 4. Continuing to develop products of digital imaging and automatic paper feeder modules, and actively investing in mold development to increase the Company's core mold technology, enhance mold competitiveness, and strengthen one-stop service to customers.
- 5. Establishing a complete testing center to provide rapid testing and verification services during the R&D phase to improve product design quality.
- II. Summary of 2022 Business Plan
 - (1) Business policy

After the establishment of the Company, Glory Science Co., Ltd., Power Quotient International and Foxlink Image Technology can further strengthen the advantages in their respective professional fields; later, Shifeng Power and Shinfox Energy will get on board to get a foothold in the energy service field. Under the complementation, sharing and full cooperation in marketing, procurement and R&D resources, we will integrate the resources of each company, give full play to the advantages of integrated marketing; after vertically integrating upstream and downstream products, the Company will expand the scale of operations, increase economic benefits, and improve the overall operating performance and competitive capability, so as to expand the space for the future growth of each entity. At the same time, we expect to gain commanding heights and new opportunities for the future development and sustainable operation of the optoelectronic, communication and digital imaging industries, in order to provide customers with better, efficient and comprehensive services, so as to create the Company's best operating performance and seek the maximum profit for shareholders.

The Company assists in the integration of resources within the Group, so that each business entity can focus on its business, while taking into account the flexibility and efficiency of independent operation and development, and improve the efficiency of corporate division of labor.

(2) Expected sales volume and estimation basis

The Group's products are mainly consumer electronics products. As the industry growth trend of mobile phone lens modules and optical connectors remains unchanged, and the system and peripheral product industries are actively expanding customers and developing new products, the sales volume of each product is expected to reach a trend of stable growth. In terms of energy services, it is mainly energy-saving services, equipment maintenance services, and solar engineering design and development services, the sales volume of which cannot be calculated.

(3) Important production and marketing policies

The Group will enhance its internal management capabilities to reduce various production costs, continue to expand production capacity, actively cultivate talents, strengthen employee training, make good use of group resources, provide customers with the best service and technical resources, and establish a good cooperative relationship with customers to achieve a win-win goal.

III. Future Company Development Strategy

The subsidiaries of the Group further strengthen the advantages in their respective professional fields, and under the complementation, sharing and full cooperation in marketing, procurement and R&D resources, integrate the resources of each company, give full play to the advantages of integrated marketing; after vertically integrating upstream and downstream products, the Company will expand the scale of operations, increase economic benefits, and improve the overall operating performance and competitive capability, so as to expand the space for the future growth of each entity. At the same time, we expect to gain commanding heights and new opportunities for the future development and sustainable operation of the optoelectronic, communication and digital imaging industries, in order to provide customers with better, efficient and comprehensive services, so as to create the Company's best operating performance and seek the maximum profit for shareholders.

IV. Impact from External Competition, Legal Environment and Overall Business Environment

In the face of the rapidly changing industry and business environment, the Group will strengthen its management and promote its operation efficiency, and improve the Company's operation with a more positive attitude and service. In

addition to the continuous control of fixed management and marketing costs, we also use the relevant resources of the Group to develop and produce products, so as to strengthen the cost competitiveness and timeliness of our products. In combination with the technical guidance of the Group, we will develop forward-looking products, strengthen product differentiation and enhance competitiveness. Green energy is supported by current policies and decrees, and will bring a greater vision to the FIT Group.

Person in charge: T.C. Gou Manager: T.C. Gou Head of accounting: Kufn Lin

Audit Committee's Review Report

The board of directors of the Company prepared and submitted the business report, financial statements and earnings distribution proposal for 2021. The financial statements were already audited by PwC Taiwan, and the Independent Auditor's Report was issued accordingly. The above-mentioned business report, financial statements and earnings distribution schedule have been reviewed by the Audit Committee, with no discrepancy detected. Therefore, this report is issued in accordance with Article 14-4 of the Securities and Exchange Act and Article 219 of the Company Act; kindly review and approve.

FIT Holding Co., Ltd.

Convener of Audit Committee: Ralph Chen

Match 24, 2022

Attachment3

INDEPENDENT AUDITORS' REPORT TRANSLATED FROM CHINESE

PWCR 21005347

To the Board of Directors and Shareholders of FIT Holding Co., Ltd.

Opinion

We have audited the accompanying consolidated balance sheets of FIT Holding Co., Ltd. and subsidiaries (the "Group") as at December 31, 2021 and 2020, and the related consolidated statements of comprehensive income, of changes in equity and of cash flows for the years then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as at December 31, 2021 and 2020, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the "Regulations Governing the Preparation of Financial Reports by Securities Issuers" and the International Financial Reporting Standards, International Accounting Standards, IFRIC Interpretations, and SIC Interpretations as endorsed by the Financial Supervisory Commission.

Basis for opinion

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and generally accepted auditing standards in the Republic of China. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the consolidated financial statements section of our report. We are independent of the Group in accordance with the Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. Based on our audits and the report(s) of other auditors, we believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole and, in forming our opinion thereon, we do not provide a separate opinion on these matters. Key audit matters for the Group's

consolidated financial statements of the year ended December 31, 2021 are stated as follows:

Recognition of construction revenue - assessment on the stage of completion <u>Description</u>

Please refer to Note 4(29) for accounting policy on construction contracts; Note 5(2) for the uncertainty of critical judgement, accounting estimates and assumptions applied to construction contracts and Note 6(24) for details of contract assets and contract liabilities, which amounted to NT\$3,216,453 thousand and NT\$2,293 thousand, respectively, as of December 31, 2021.

The Group's construction revenue and costs mainly arise from undertaking construction works. If the outcome of a construction contract can be estimated reliably, revenue should be recognised by reference to the stage of completion of the contract activity, using the percentage-of-completion method of accounting, over the contract term. The stage of completion of a construction contract is measured by the proportion of contract costs incurred for the construction performed as of the financial reporting date to the estimated total costs for the construction contract. The aforementioned estimated total costs are assessed by the management based on the different nature of constructions and the price fluctuations in the market to estimate the costs for each construction activity such as estimated subcontract charges and material and labour expenses. As the estimate of total cost affects the stage of completion and the recognition of construction revenue, the complexity of aforementioned total cost usually involves subjective judgement and contains a high degree of uncertainty, we consider the assessment on the stage of completion which was applied on construction revenue recognition as a key audit matter.

How our audit addressed the matter

We performed the following audit procedures on the above key audit matter on the stage of completion:

- A. Obtained an understanding on the nature of business and industry, and assessed the reasonableness of internal process applied to estimate total construction cost, including the basis for estimating the expected total cost for construction contracts of the same nature.
- B. Assessed and tested the internal controls used by the management to recognise construction revenue based on the stage of completion, including checking the supporting documents of additional or reduced constructions and significant constructions performed in the period.
- C. Sampled and tested the subcontracts that have been assigned, and assessed the basis and reasonableness of estimating costs for those that have not been assigned.

D. Performed substantive procedures relating to the year-end construction profit or loss statement, including sampling and verifying the costs incurred in the period with the appropriate evidence, and recalculating and confirming that construction revenue calculated based on the stage of completion had been accounted for appropriately.

Valuation of goodwill impairment

Description

Please refer to Note 4(20) for accounting policies on impairment loss on non-financial assets, Note 5(2) for the uncertainty of accounting estimates and assumptions applied to goodwill impairment valuation, and Note 6(13) for details of intangible assets.

The amount of goodwill was generated from the acquisition of subsidiaries, Power Quotient International Co., Ltd. and Foxlink Image Technology Co., Ltd.. The Company valued the impairment of goodwill through the discounted cash flow method which measures the cash generating unit's recoverable amount. As the assumptions of expected future cash flows involved subjective judgement and a high degree of uncertainty which would cause a material impact on the valuation result, the valuation of goodwill impairment was identified as a key audit matter.

How our audit addressed the matter

We performed the following audit procedures on the above key audit matter:

- A. Obtained the external appraisal report on impairment valuation and examined the external appraiser's qualification and assessed the independence, competence and objectiveness.
- B. Assessed that the valuation model used in the appraisal report was widely used and appropriate.
- C. Assessed the reasonableness of significant assumptions (including expected growth rate and discount rate) applied in the appraisal report.

Valuation of property, plant and equipment impairment

Description

Please refer to Note 4(20) for accounting policies on impairment loss on non-financial assets, Note 5(2) for the uncertainty of accounting estimates and assumptions applied to property, plant and equipment impairment valuation, and Note 6(9) for details of property, plant and equipment.

As the 3C components' life cycles are relatively short and the market is highly competitive, there is a high risk of property and equipment incurring an impairment loss. The Company's subsidiaries valued the impairment of the cash generating unit's property, plant and equipment which had an indication of impairment. We mainly relied on the external appraisal report. As the external appraisal report on impairment valuation involved subjective judgement and a high degree of uncertainty which would cause a material impact on the valuation result, the valuation of property, plant and equipment impairment was identified as a key audit matter.

How our audit addressed the matter

We performed the following audit procedures on the above key audit matter:

- A. Examined the external appraiser's qualification and assessed the independence, competence and objectiveness.
- B. Verified whether the list of properties for the external appraiser is correct.
- C. Assessed that the valuation method used in the appraisal report was appropriate.
- D. Tested the external appraisal report's valuation basis adequacy.

Other matter - Reference to the reports of other auditors

We did not audit the financial statements of certain investments accounted for under the equity method which were audited by other auditors. Therefore, our opinion expressed herein, insofar as it relates to the amounts included in respect of these associates and the information disclosed in Note 13, is based solely on the reports of the other auditors. The balance of these investments accounted for under the equity method amounted to NT\$212,883 thousand, constituting 0.87% of the consolidated total assets as at December 31, 2021, and the share of loss of associates and joint ventures accounted for under the equity method amounted to NT(\$2,358) thousand, constituting (2.41%) of the total comprehensive income for the year then ended.

Other matter-Parent company only financial reports

We have audited and expressed an unqualified opinion and an unqualified opinion with an other matters section on the parent company only financial statements of FIT Holding Co., Ltd. as at and for the years ended December 31, 2021 and 2020, respectively.

Responsibilities of management and those charged with governance for the consolidated financial statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the "Regulations Governing the Preparation of Financial Reports by Securities Issuers" and the International Financial Reporting Standards, International Accounting Standards, IFRIC Interpretations, and SIC Interpretations as endorsed by the Financial Supervisory Commission, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including audit committee, are responsible for overseeing the Group's financial reporting process.

Auditors' responsibilities for the audit of the consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the generally accepted auditing standards in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the generally accepted auditing standards in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk

of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Lin, Se-Kai Liang Yi Chang For and on Behalf of PricewaterhouseCoopers, Taiwan March 24, 2022

The accompanying consolidated financial statements are not intended to present the financial position and results of operations and cash flows in accordance with accounting principles generally accepted in countries and jurisdictions other than the Republic of China. The standards, procedures and practices in the Republic of China governing the audit of such financial statements may differ from those generally accepted in countries and jurisdictions other than the Republic of China. Accordingly, the accompanying consolidated financial statements and independent auditors' report are not intended for use by those who are not informed about the accounting principles or auditing standards generally accepted in the Republic of China, and their applications in practice.

As the financial statements are the responsibility of the management, PricewaterhouseCoopers cannot accept any liability for the use of, or reliance on, the English translation or for any errors or misunderstandings that may derive from the translation.

INDEPENDENT AUDITORS' REPORT TRANSLATED FROM CHINESE

To the Board of Directors and Shareholders of FIT HOLDING CO., LTD.

Opinion

We have audited the accompanying parent company only balance sheets of FIT HOLDING CO., LTD. as at December 31, 2021 and 2020, and the related parent company only statements of comprehensive income, of changes in equity and of cash flows for the years then ended, and notes to the parent company only financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying parent company only financial statements present fairly, in all material respects, the parent company only financial position of FIT HOLDING CO., LTD. as at December 31, 2021 and 2020, and its parent company only financial performance and its parent company only cash flows for the years then ended in accordance with the "Regulations Governing the Preparation of Financial Reports by Securities Issuers" and the International Financial Reporting Standards, International Accounting Standards, IFRIC Interpretations, and SIC Interpretations as endorsed by the Financial Supervisory Commission.

Basis for opinion

We conducted our audits in accordance with the "Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants" and generally accepted auditing standards in the Republic of China (ROC GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the parent company only Financial Statements* section of our report. We are independent of FIT HOLDING CO., LTD. in accordance with the Code of Professional Ethics for Certified Public Accountants in the Republic of China (the "Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the parent company only financial statements of the current period. These matters were addressed in the context of our audit of the parent company only financial statements as a whole and, in forming our opinion thereon, we do not provide a separate opinion on these matters.

The balance of investments accounted for under the equity method recognized amounted to NT\$8,643,898 thousand, constituting 95% of the Company's total assets as at December 31, 2021, and the investment profit (shown as operating revenue) amounted to NT\$512,752 thousand. Please refer to Note 4(7) for accounting policies on investments accounted for under the equity method and Note 6(1) for details of investments accounted for under the equity method. As the amounts are material to the parent company only financial statements of the Company, the investments accounted for under equity method - recognition of construction revenue - assessment on the stage of completion, investments accounted for under equity method - valuation of goodwill impairment and investments accounted for under equity method - valuation of property, plant and equipment impairment were identified as key audit matters.

Key audit matters for FIT HOLDING CO., LTD. parent company only financial statements of the current period are stated as follows:

Recognition of construction revenue - assessment on the stage of completion <u>Description</u>

Please refer to Note 4(29) for accounting policy on construction contracts; Note 5(2) for the uncertainty of critical judgement, accounting estimates and assumptions applied to construction contracts and Note 6(24) for details of contract assets and contract liabilities, which amounted to NT\$3,216,453 thousand and NT\$2,293 thousand, respectively, as of December 31, 2021.

The construction revenue and costs mainly arise from undertaking construction works. If the outcome of a construction contract can be estimated reliably, revenue should be recognised by reference to the stage of completion of the contract activity, using the percentage-of-completion method of accounting, over the contract term. The stage of completion of a construction contract is measured by the proportion of contract costs incurred for the construction performed as of the financial reporting date to the estimated total costs for the construction contract. The aforementioned estimated total costs are assessed by the management based on the different nature of constructions and the price fluctuations in the market to estimate the costs for each construction activity such as estimated subcontract charges and material and labour expenses. As the estimate of total cost affects the stage of completion and the recognition of construction revenue, the complexity of aforementioned total cost usually involves subjective judgement and contains a high degree of uncertainty, we consider the assessment on the stage of completion which was applied on construction revenue recognition as a key audit matter.

How our audit addressed the matter

We performed the following audit procedures on the above key audit matter on the stage of completion:

- A. Obtained an understanding on the nature of business and industry, and assessed the reasonableness of internal process applied to estimate total construction cost, including the basis for estimating the expected total cost for construction contracts of the same nature.
- B. Assessed and tested the internal controls used by the management to recognise construction revenue based on the stage of completion, including checking the supporting documents of additional or reduced constructions and significant constructions performed in the period.
- C. Sampled and tested the subcontracts that have been assigned, and assessed the basis and reasonableness of estimating costs for those that have not been assigned.
- D. Performed substantive procedures relating to the year-end construction profit or loss statement, including sampling and verifying the costs incurred in the period with the appropriate evidence, and recalculating and confirming that construction revenue calculated based on the stage of completion had been accounted for appropriately.

Investments accounted for under equity method - Valuation of goodwill impairment Description

Please refer to Note 4(20) in the consolidated financial statements for accounting policies on impairment loss on non-financial assets, Note 5(2) in the consolidated financial statements for the uncertainty of accounting estimates and assumptions applied to goodwill impairment valuation, and Note 6(13) in the consolidated financial statements for details of intangible assets. The amount of goodwill was generated from the acquisition of subsidiaries, Power Quotient International Co., Ltd. and Foxlink Image Technology Co., Ltd.. The Company valued the impairment of goodwill through the discounted cash flow method which measures the cash generating unit's recoverable amount. As the assumptions of expected future cash flows involved subjective judgement and a high degree of uncertainty which would cause a material impact on the valuation result, the valuation of goodwill impairment was identified as a key audit matter.

How our audit addressed the matter

We performed the following audit procedures on the above key audit matter:

- A. Obtained the external appraisal report on impairment valuation and examined the external appraiser's qualification and assessed the independence, competence and objectiveness.
- B. Assessed that the valuation model used in the appraisal report was widely used and appropriate.
- C. Assessed the reasonableness of significant assumptions (including expected growth rate and discount rate) applied in the appraisal report.

Investments accounted for under equity method - Valuation of property, plant and equipment impairment

Description

Please refer to Note 4(20) in the consolidated financial statements for accounting policies on impairmentloss on non-financial assets, Note 5(2) in the consolidated financial statements for the uncertainty of accounting estimates and assumptions applied to property, plant and equipment impairment valuation, and Note 6(9) in the consolidated financial statements for details of property, plant and equipment. As the 3C components' life cycles are relatively short and the market is highly competitive, there is a high risk of plant and equipment incurring an impairment loss. The Company's subsidiaries valued the impairment of the cash generating unit's property, plant and equipment which had an indication of impairment. We mainly relied on the external appraisal report. As the external appraisal report on impairment valuation involved subjective judgement, various assumptions and a high degree of uncertainty which would cause a material impact on the valuation result, the valuation of property, plant and equipment was identified as a key audit matter.

How our audit addressed the matter

We performed the following audit procedures on the above key audit matter:

- A. Examined the external appraiser's qualification and assessed the independence, competence and objectiveness.
- B. Verified whether the list of properties for the external appraiser is correct.
- C. Assessed that the valuation method used in the appraisal report was appropriate.
- D. Tested the external appraisal report's valuation basis adequacy.

Other matter - Reference to the reports of other auditors

We did not audit the financial statements of certain investments accounted for under the equity method which were audited by other auditors. Therefore, our opinion expressed herein, insofar as it relates to the amounts included in respect of these associates and the information disclosed in Note 13, is based solely on the reports of the other auditors. The balance of these investments accounted for under the equity method amounted to NT\$212,883 thousand, constituting 2.34% of the consolidated total assets as at December 31, 2021, and the share of loss of associates and joint ventures accounted for under the equity method amounted to NT(\$2,358) thousand, constituting (2.38%) of the total comprehensive income for the year then ended.

Responsibilities of management and those charged with governance for the parent company only financial statements

Management is responsible for the preparation and fair presentation of the parent company only financial statements in accordance with the "Regulations Governing the Preparation of Financial Reports by Securities Issuers" and the International Financial Reporting Standards, International Accounting Standards, IFRIC Interpretations, and SIC Interpretations as endorsed by the Financial Supervisory Commission, and for such internal control as management determines is necessary to enable the preparation of parent company only financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the parent company only financial statements, management is responsible for assessing FIT HOLDING CO., LTD. ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate FIT HOLDING CO., LTD. or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including audit committee, are responsible for overseeing FIT HOLDING CO., LTD. financial reporting process.

Auditor's responsibilities for the audit of the parent company only financial statements Our objectives are to obtain reasonable assurance about whether the parent company only financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ROC GAAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these parent company only financial statements.

As part of an audit in accordance with ROC GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- 1. Identify and assess the risks of material misstatement of the parent company only financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of FIT HOLDING CO., LTD. internal control.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on FIT HOLDING CO., LTD. ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the parent company only financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- 5. Evaluate the overall presentation, structure and content of the parent company only financial statements, including the disclosures, and whether the parent company only financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within FIT HOLDING CO., LTD. to express an opinion on the parent company only financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the parent company only financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Lin, Se-Kai Liang Yi Chang For and on Behalf of PricewaterhouseCoopers, Taiwan March 24, 2022

The accompanying parent company only financial statements are not intended to present the financial position and results of operations and cash flows in accordance with accounting principles generally accepted in countries and jurisdictions other than the Republic of China. The standards, procedures and practices in the Republic of China governing the audit of such financial statements may differ from those generally accepted in countries and jurisdictions other than the Republic of China. Accordingly, the accompanying parent company only financial statements and independent auditors' report are not intended for use by those who are not informed about the accounting principles or auditing standards generally accepted in the Republic of China, and their applications in practice.

As the financial statements are the responsibility of the management, PricewaterhouseCoopers cannot accept any liability for the use of, or reliance on, the English translation or for any errors or misunderstandings that may derive from the translation.

FIT Holding Co., Ltd. Articles of Association

Appendix 1

Chapter I General Provisions

- Article 1: The Company is organized in accordance with the Company Act and is named FIT Holding Co., Ltd.
- Article 2: The businesses of the Company: H201010 Investment.
- Article 3: The Company may provide endorsement guarantees due to business requirements with the approval of the board meeting, and the operations shall be handled in accordance with the Company's Procedures of Endorsements and Guarantees.
- Article 4: The Company has its head office established in New Taipei City, and may establish branches, offices or business offices at home and abroad upon the resolution of the board meeting when necessary. The Company may reinvest at home and abroad through a resolution of the board meeting; if the reinvestee is a limited liability shareholder of the Company, the total investment amount is not subject to the restriction of 40% of its paid-in share capital as in Article 13 of the Company Act.
- Article 5: The Company's announcement method shall be handled in accordance with Article 28 of the Company Act.

Chapter II Shares

Article 6: The total authorized capital of the Company is NT\$3 billion, divided into 300 million shares, with the amount of NT\$10 per share. The board meeting is authorized to issue the shares in installments as required.
Within the authorized capital amount in the preceding paragraph, NT\$300 million is reserved for the issuance of employee stock option certificates for a total of 30

million shares at NT\$10 per share, which may be issued in installments in accordance with the resolution of the board meeting.

- Article 7: The shares of the Company are all registered, which are signed or sealed by the director representing the Company and issued after being certified by the certifying bank for share issuance in accordance with the law.
 The printing of share certificates may be exempt for shares issued by the Company, but registration with a central securities depository institution is required.
- Article 8: Unless otherwise provided by laws and regulations, the stock affairs of the Company shall be handled in accordance with the "Regulations Governing the Administration

of Shareholder Services of Public Companies" promulgated by the competent authority.

Article 9: The transfer of ownership of shares shall be suspended within 60 days before the general shareholders' meeting, within 30 days before the extraordinary shareholders' meeting, or within 5 days before the benchmark date on which the Company decides to distribute dividends or other benefits.

Chapter III Shareholders' Meeting

- Article 10: The shareholders' meeting includes the general meeting and the extraordinary meeting. The general meeting shall be convened at least once a year by the board of directors according to law within six months after the end of each accounting year. The extraordinary meeting shall be convened according to law when necessary.
- Article 11: The chairman of the board shall preside over the shareholders' meeting. When the chairman is unable to attend, the chairman shall designate a director to act as his proxy; if the chairman does not appoint a director as his proxy, the directors shall elect one among themselves as the proxy. If the shareholders' meeting is convened by someone other than a member of the board of directors who has the right to convene, the person shall act as the chairman. If there are two or more persons with the right to convene, one person shall be selected among them.
- Article 12: If a shareholder is unable to attend the shareholders' meeting, he may appoint a proxy to attend on his behalf by signing the power of attorney printed by the Company and stating the scope of powers authorized to the proxy. Except as specified in Article 177 of the Company Act, the attendance of a shareholder's proxy shall be handled in accordance with the "Regulations Governing the Use of Proxies for Attendance at Shareholder Meetings of Public Companies" promulgated by the competent authority.
- Article 13: Unless otherwise stipulated by laws and regulations, each shareholder of the Company has one voting right per share.
- Article 14: On the resolution of the shareholders' meeting, unless otherwise provided by the Company Act, the shareholders' meeting shall be attended by shareholders representing more than half of the total number of shares issued, and the motion shall be approved by more than half of the voting rights of the shareholders present. The shareholders of the Company may also exercise their voting rights electronically. Shareholders who exercise their voting rights electronically are deemed to be present in person, and related matters shall be handled in accordance with laws and

regulations.

Article 15: The resolutions of the shareholders' meeting shall be recorded in the meeting minutes, signed or sealed by the chairman, and distributed to the shareholders within 20 days after the meeting.

The production, distribution, recorded contents and retention period of the minutes shall comply with Article 183 of the Company Act.

The minutes shall contain the date and place of the meeting, the name of the chairman, the method of resolution, and the essentials and results of the proceedings. The minutes shall be kept permanently during the existence of the Company.

Chapter IV Directors and Audit Committee

Article 16: (deleted)

Article 17: The board of directors of the Company has five to nine seats of directors for a term of three years. The candidate nomination system is adopted, and the number of independent directors shall not be less than two and shall not be less than one-fifth of the number of directors. The shareholders shall elect from the list of candidates, and the directors may be re-elected.

The election of directors shall be handled in accordance with Article 198 of the Company Act and related provisions.

- Article 18: The board of directors is organized by directors; the chairman shall be elected in a board meeting attended by more than two-thirds of the directors and approved by more than half of the directors' present. If the chairman is on leave or unable to perform his duties for some reason, the chairman shall designate a director to act as his proxy. When the chairman does not appoint a proxy, the directors shall elect one among themselves as the proxy.
- Article 19: Unless otherwise provided by the Company Act, the board meeting shall be convened by the chairman of the board and serve as the chairman at the same time; The venue of the board meeting shall be at the location of the Company or at a place suitable for the attendance of the directors and suitable for the board meeting, or the meeting may be held by video conferencing.

For the convening of the board meeting, the reasons shall be specified and the directors be notified seven days in advance. However, the meeting may be called at any time in case of an emergency.

The notice of the convening of the board meeting mentioned in the preceding

paragraph may be made in writing, by fax or by electronic means.

When a director is unable to attend the board meeting for some reason, he may issue a power of attorney to entrust another director to attend the meeting in accordance with Article 205 of the Company Act, but only one agent may be appointed. If the board meeting is held by videoconferencing, the directors who participate in the meeting by video shall be deemed to have attended the meeting in person.

Article 20: The functions and powers of the board of directors are as follows:

- 1. Review of business policies and medium and long-term development plans, and review and supervision of the implementation of the annual business plan.
- 2. Proposal of the budget and final accounts.
- 3. Formulation of the capital increase and reduction plan.
- 4. Proposal of earnings distribution or loss compensation.
- 5. Proposal of important external contracts.
- 6. Proposal of amendment to the Articles of Association.
- 7. Formulation of the Company's organization rules and important business rules.
- 8. Establishment and abolition of branches; drafting of reorganization or dissolution.
- 9. Appointment and dismissal of the president and vice president of the Company.
- 10.Convening of shareholders' meetings.
- 11. Proposal of purchase and disposal of the Company's important assets.
- 12.Formulation of the Company's external endorsements and guarantees and external investment plans.
- 13. Proposal of capital increase with dividends or reserves.
- 14. Functions and powers in accordance with Article 202 of the Company Act.
- Article 21: The resolutions of the board meeting shall be recorded in the meeting minutes, signed or sealed by the chairman, and distributed to the directors within 20 days after the meeting. The minutes shall be taken in the order of the date, place, name of the chairman and resolution method, as well as the essentials of the proceedings and voting results. The minutes shall be kept permanently during the existence of the Company.
- Article 22: When the term of office of a director has expired but a re-election cannot be held in time, the director's execution of duties shall be extended until the new director takes office.

This company has established an audit committee in accordance with Article 14-4

of the Securities and Exchange Act which is responsible for performing the functions and powers of supervisors as stipulated in the Company Act, the Securities and Exchange Act and other laws and regulations. The audit committee shall be composed of all independent directors with at least three members, one of whom shall be the convener, and at least one of whom shall have accounting or financial expertise. The term of office, exercise of powers and other matters to be observed of the audit committee shall be handled in accordance with the relevant laws and regulations. The board of directors shall also formulate the organizational rules of the audit committee in accordance with the relevant laws and regulations.

Article 23: The board meeting is authorized to determine the remuneration of all directors in accordance with the usual standards of the same industry. In addition, the Company may purchase liability insurance for directors, so as to reduce their risk of being sued by shareholders or other related parties due to performing their duties in accordance with the law.

Chapter V Managers

Article 24: The Company may have a president, a vice president, a chief executive, and several general managers and deputy general managers of business groups. Their appointment, dismissal and remuneration shall be handled in accordance with Article 29 of the Company Act.

Chapter VI Accounting

- Article 25: At the end of each accounting year, the board of directors of the Company shall prepare (1) the business report, (2) financial statements, (3) proposals for earnings distribution or loss compensation, and have them submitted to the regular general shareholders' meeting for recognition in accordance with the law.
- Article 26: If the Company makes any profit in the year (the so-called profit refers to the profit before tax deducting the distribution of employees' remuneration and directors' remuneration), it shall allocate no less than 6% as the employees' remuneration and no more than 3% as the directors' remuneration. However, if the Company still has a cumulative loss, it shall reserve the amount of compensation in advance. The employees' remuneration referred to in the preceding paragraph may be paid in the form of shares or cash. The objects of payment include employees of controlling or subordinate companies who meet certain conditions, and the board meeting is authorized to decide the conditions and distribution methods. The

directors' remuneration shall be paid in cash only. The two items above shall be decided by the board meeting and reported to the shareholders' meeting.

Article 27: If there are any earnings in the annual final accounts of the Company, it shall first pay the tax and make up for the previous losses, and the allocate 10% of the balance as the legal reserve; however, the requirement does not apply when the accumulated legal reserve has reached the total capital of the Company. If there is still a balance of earnings in the current year, then the board meeting shall draw up a proposal on the distribution of earnings based on the balance together with the accumulated undistributed earnings in the previous year, and submit it to the shareholders' meeting for resolution.

> If all or part of the dividend and bonus or legal reserve and capital reserve is to be paid in cash, the board meeting shall be authorized to make a resolution where the meeting is attending by more than two thirds of the directors and the consent is obtained from more than half of the directors' present, and the resolution shall be reported to the shareholders' meeting.

> The Company's dividend policy is to distribute no more than 90% of the Company's distributable earnings to shareholders by way of dividend. Based on the future capital expenditure budget and capital demand, the cash dividend will not be less than 20% of the total dividend of the Company. When a company allocates its earnings, it shall, in addition to the legal reserve according to law, set aside a special reserve from the current year's after-tax earnings plus the previous period's undistributed earnings at the same deduction amount of the shareholders' equity in the current year (such as unrealized losses on financial products, cumulative conversion adjustments, etc.) in accordance with paragraph 1, Article 41 of the Securities and Exchange Act. The legal reserve shall not be distributed. When there is a reversal in the deduction amount of the shareholders' equity, the earnings may be distributed in respect of the reversal.

Chapter VII Supplementary Provisions

- Article 28: Matters not stipulated in the Articles of Association shall be handled in accordance with the Company Act and other relevant laws and regulations.
- Article 29: The Articles of Association were established on June 19, 2018. The first revision was made on June 21, 2019.

FIT Holding Co., Ltd.Appendix 2Rules of Procedure of Shareholders' Meetings

- 1. The shareholders' meeting of the Company shall be conducted in accordance with these rules unless otherwise provided by laws and regulations.
- 2. The shareholder (or proxy) attending the meeting shall hand in the attendance card to replace sign-in. The number of share rights present shall be calculated according to the number of share rights on the above-mentioned attendance cards plus the number of share rights exercised by electronic means.
- 3. The attendance and voting at the shareholders' meeting shall be based on the number of shares.
- 4. The place of the shareholders' meeting shall be the place where the Company is located or where it is convenient for the shareholders to attend. The meeting time shall not be before 9 a.m. or after 3 p.m.
- 5. If the shareholders' meeting is convened by the board of directors, the chairman of the board shall preside over the meeting. When the chairman is on leave or unable to perform his duties for some reason, the vice chairman shall act as his proxy. If there is no vice chairman or when the vice chairman is also on leave or unable to perform his duties for some reason, the chairman shall appoint a managing director as the proxy; if there are no managing directors, the chairman shall appoint a director as the proxy. If the chairman does not appoint any proxy, the managing directors or the directors shall elect one among them to act as the proxy.

If the shareholders' meeting is convened by a convener other than a member of the board of directors, the convener shall be the chairman of the meeting.

- The Company may appoint its designated lawyers, accountants or related personnel to attend the shareholders meeting as non-voting delegates.
 Personnel handling the affairs of the shareholders' meeting shall wear identification cards or armbands.
- 7. The entire process of the shareholders' meeting shall be audio or video recorded. The recording shall be kept for at least one year.
- 8. The chairman shall call the meeting to order at the specified meeting time. However, when the attending shareholders do not represent a majority of the total number of issued shares,

the chairman may announce a meeting postponement, provided that the number of such postponement is no more than two, and the total time no more than 1 hour. If the quorum is not met after two postponements, but the attending shareholders represent one third or more of the total number of issued shares, a tentative resolution may be adopted pursuant to paragraph 1, Article 175 of the Company Act.

Before the end of the meeting, if the number of shares represented by the shareholders present reaches more than half of the total number of issued shares, the chairman may, in accordance with Article 174 of the Company Act, re-submit the tentative resolution to the meeting for voting.

9. If a shareholders' meeting is convened by the board of directors, the agenda of the meeting shall be set by the board of directors. The meeting shall be conducted according to the scheduled agenda which shall not be changed without the resolution of the shareholders' meeting.

If a shareholders' meeting is convened by a person other than the board of directors who has the right to convene, the provisions of the preceding paragraph shall apply mutatis mutandis.

Before the conclusion of the agenda (including extemporary motions) set out in the two paragraphs above, the chairman shall not declare the meeting adjourned without a resolution.

If the chairman violates the rules of procedure and announces the meeting adjourned, with the consent of more than half of the voting rights of the shareholders present, another person may be elected to be the chairman to continue the meeting.

After the closing of the meeting, the shareholders shall not elect another chairman to continue the meeting at the original place or at another place.

10. Before speaking, an attending shareholder shall fill out a speech slip, specifying his/her shareholder account number (or attendance card number) and account name. The order in which shareholders speak will be set by the chairman.

A shareholder in attendance who has submitted a speech slip but does not actually speak shall be deemed to have not spoken. When the content of the speech does not correspond to the subject given on the speech slip, the spoken content shall prevail.

When an attending shareholder is speaking, other shareholders may not speak or interrupt unless they have sought and obtained the consent of the chairman and the shareholder that has the floor; the chairman shall stop any violation.

- 11. For the same proposal, each shareholder shall not speak more than twice without the consent of the chairman, and each speech shall not exceed five minutes. If the shareholder's speech violates the rules above or exceeds the scope of the agenda item, the chairman may terminate the speech.
- 12. When a legal person is entrusted to attend the shareholders' meeting, it may only appoint one representative to attend.

When a legal person shareholder appoints two or more representatives to attend a shareholders' meeting, only one of the representatives so appointed may speak on the same motion.

- 13. After an attending shareholder has spoken, the chairman may respond in person or direct relevant personnel to respond.
- 14. When the chairman is of the opinion that the motion and the amendment or extraordinary motion put forward by the shareholder has been discussed sufficiently for a vote, the chairman may announce the discussion closed and call for a vote.
- 15. Vote scrutinizing and counting personnel for the voting on a motion, if required, shall be appointed by the chairman, provided that all the scrutinizing personnel shall be shareholders of the Company. The results of voting shall be reported on the spot and recorded.
- 16. The chairman may announce a break during the meeting at his discretion.
- 17. Unless otherwise stipulated in the Company Act and the Articles of Association of the Company, a proposal shall be approved with the consent of more than half of the voting rights of the shareholders present. If the chairman makes an inquiry to the shareholders present and there is no objection to the resolution, the resolution shall be deemed to be approved, and its effect shall be the same as the result of voting.
- 18. When there is an amendment or replacement to a proposal, the chairman shall determine the order of voting together with that of the original proposal. If one of the proposals is approved, the other proposals shall be deemed to be rejected and no more voting shall be needed.
- 19. The chairman may command the picket (or security personnel) to assist in maintaining the order of the meeting venue. When assisting in maintaining order, the picket (or security personnel) shall wear an armband or identification card with the word "picket".
- 20. Matters not specified in these Rules shall be handled in accordance with the Company Act,

relevant laws and regulations and the Articles of Association of the Company.

21. These Rules shall come into force after being approved by the shareholders' meeting, and the same procedure shall apply when they are amended.

Appendix 3

FIT Holding Co., Ltd.

Procedures for Election of Directors

- Article 1: Unless otherwise provided in the laws and regulations or the Articles of Incorporation of the Company, the directors of the Company shall be elected in accordance with the procedures specified herein.
- Article 2: The overall composition of the board of directors shall be taken into consideration in the selection of the Company's directors. The composition of the board of directors shall be determined by taking diversity into consideration and formulating an appropriate policy on diversity based on the company's business operations, operating dynamics, and development needs. It is advisable that the policy include, without being limited to, the following two general standards:
 - 1. Basic requirements and values: Gender, age, nationality, and culture.
 - 2. Professional knowledge and skills: A professional background (e.g., law, accounting, industry, finance, marketing, technology), professional skills, and industry experience.

Each board member shall have the necessary knowledge, skill, and experience to perform their duties; the abilities that must be present in the board as a whole are as follows:

- 1. Ability to make judgments about operations.
- 2. Ability to perform accounting and financial analysis.
- 3. Business management ability.
- 4. Crisis management ability.
- 5. Knowledge of the industry.
- 6. An international market perspective.
- 7. Leadership ability.

8. Decision-making ability.

More than half of the directors shall be persons who have neither a spousal relationship nor a relationship within the second degree of kinship with any other director. The board of directors of the Company shall consider adjusting its composition based on the results of performance evaluation.

Article 3:The qualifications for the independent directors of the Company shall comply with Articles 2, 3, and 4 of the Regulations Governing Appointment of Independent Directors and Compliance Matters for Public Companies.

The election of independent directors of the Company shall comply with Articles 5, 6, 7,

8, and 9 of the Regulations Governing Appointment of Independent Directors and Compliance Matters for Public Companies.

Article 4: The election of directors of the Company shall be conducted in accordance with the by the Board of Directors in advance.

If the number of directors is less than five due to dismissal for any reason, the Company shall make up for the vacancies in the by-election at the latest shareholders' meeting. However, if the number of director vacancies reaches one-third of the number of seats as prescribed in the Articles of Association, the Company shall hold an extraordinary shareholders' meeting for a by-election within 60 days from the date of occurrence.

If the number of independent directors is less than that specified in the proviso of paragraph 1, Article 14-2 of the Securities and Exchange Act, a by-election shall be held in the latest shareholders' meeting; when all the independent directors are dismissed, an extraordinary shareholders' meeting shall be convened for a by-election within 60 days from the date of occurrence.

The Company shall adopt the cumulative voting system for the election of directors. Each share has the same voting rights as the number of directors to be elected, and all the votes may be given to only one candidate or the votes may be distributed among several candidates.

The person with the convening right of the shareholders' meeting shall prepare separate ballots for directors in numbers corresponding to the directors to be elected. The number of voting rights associated with each ballot shall be specified on the ballots, which shall then be distributed to the attending shareholders at the shareholders' meeting. Attendance card numbers printed on the ballots may be used instead of recording the names of voting shareholders.

The voting rights won by independent directors and non-independent directors shall be respectively calculated according to the number of directors specified in the Articles of Incorporation of the Company. Those receiving ballots representing the highest numbers of voting rights will be elected sequentially according to their respective numbers of votes. When two or more persons receive the same number of votes, thus exceeding the specified number of positions, they shall draw lots to determine the winner, with the chair drawing lots on behalf of any person not in attendance.

Article 6:Before the election begins, the chair shall appoint a number of persons with shareholder status to perform the respective duties of vote monitoring and counting personnel. The ballot boxes shall be prepared by the person with the convening right of the shareholders' meeting and publicly checked by the vote monitoring personnel before voting commences.

Article 7: (deleted)

Article 8: The vote shall not be valid in any of the following circumstances:

- 1. The vote is not prepared by the person with the convening right.
- 2. The vote cast in the ballot box is blank.
- 3. The handwriting is illegible or altered.
- 4. The candidate filled in does not correspond to the person on the list of director candidates.
- 5. There are additional words filled in on the vote other than the allocated number of voting rights.
- Article 9: The ballots shall be calculated on site immediately after the end of the poll, and the chair or the MC shall announce on the site the results of the calculation including the list of persons elected as directors and the numbers of votes with which they were elected, as well as the candidates not elected and their numbers of votes.

The ballots for the election referred to in the preceding paragraph shall be sealed with the signatures of the monitoring personnel and kept in proper custody for at least one year. If, however, a shareholder files a lawsuit pursuant to Article 189 of the Company Act, the ballots shall be retained until the conclusion of the litigation.

Article 10: (deleted)

Article 11:The Procedures, and any amendments hereto, shall be implemented after approval by a shareholders' meeting.

Article 12: Period of implementation.

Established on June 19, 2018.

The first revision was made on June 21, 2019.

The second revision was made on July 20, 2021.
